

ASP General Information Installation Data Ops & Minor Connections

Alert Number: **GI03_20**

24 January 2020

Subject: Planned Outages for NOSW Portal

Dear ASP/2s,

Ausgrid would like to provide notice that the system used for the lodgement of Notification of Service Work (NOSW) will be briefly unavailable.

When: Sunday 2nd February 2020

Time: Brief outage between 8:30am and 12:00pm

Impact: NOSWs cannot be lodged during the period of the outages, which we expect to last approximately for 3.5 hours. Please note, these timings are indicative.

We recommend submitting your Notification of Service Works outside this period.

Thank you for your understanding – we apologise for any inconvenience this may cause you.
