

Network Standard
Advice No. 1835 29/06/2015
Doc. Ref. Network Standard NS102

TO: Customers, Service Providers and Ausgrid Staff.

Amendments to Network Standard NS102, Working on Poles with Mobile Phone Transmitter Installations

Summary

The change was to replace the existing Compliance Checklist (Annexure B) with a new version of the wording clarifying that the checklist does not apply to Contestable work projects - ie. it is for internal Ausgrid use only.

Note: Current network standards, with NSAs and CIAs, are available on Ausgrid's Internet site at www.ausgrid.com.au.
